

# 23rd Annual Peace Camp June 24, 25, and 26th

**Camp Peaceful Pines**  
near Pinecrest, California

Peace Camp offers time away from the rush of daily life. If you never attended camp as a child, here is your chance to share the experience with your whole family. You are invited to begin your day with Sunrise Yoga, participate in workshops, go on a hike, share delicious food, and enjoy the serenity of a natural setting. Bay area musician Dave Fromer will present a workshop, entertain the children and lead a singalong. Lorrie Freitas returns to do a workshop on conflict resolution by looking at personality types. Tim Smart will take us on a star walk.

We look forward to re-connecting with former participants, whether regular or returning, and all newcomers. We are sure you will enjoy this peaceful weekend in nature's own peaceful setting with a group of like-minded individuals dedicated to peaceful ways. Peace Camp is organized by the Modesto Peace/Life Center in collaboration with Tuolumne County Citizens for Peace (TCCP).
